## Admin can edit all the records

The screenshot shows a web browser window with the URL `localhost/Abhishek/updateThisUser.php?username=sachin`. The page has a dark brown header with the text "IS667" and "This Assignment is done by Gauri Kirve & Abhishek Vichare". Below the header is a navigation bar with links: "BLOGS", "CREATE A NEW USER", "VIEW & EDIT RECORDS", "CREATE A NEW BLOG", "LOGOUT", and "YOU ARE ADMIN!". The main content area displays a form for editing user details. The form fields are as follows:

UserID :	ah8w76
UserName :	sachin
FirstName :	sachin
LastName :	Tendulkar
Email :	s@gmail.com
Password :	460c5fa89bf43fd9b3cadd
MemberSince :	1482215713
Active :	1
TypeOfUser :	<input type="text"/>
Requesting to be an editor :	<input type="text" value="0"/>

An "Update" button is located at the bottom right of the form.

## Admin can modify and update records

The screenshot shows the same web browser window as the previous one, but the URL is now `localhost/Abhishek/processUpdateUser.php`. The page displays a confirmation message "Record Updated!" in the center. The header and navigation bar remain the same.

The screenshot displays a web browser window with multiple tabs. The active tab shows a PHP application running on localhost. The page features a dark blue header with the text "IS667" and a subtitle "This Assignment is done by Gauri Kirve & Abhishek Vichare". Below the header is a navigation bar with links: "BLOGS", "CREATE A NEW USER", "VIEW & EDIT RECORDS", "CREATE A NEW BLOG", "LOGOUT", and "YOU ARE ADMIN!". The main content area shows a form with a title field containing "This is Admin", a blog content text area containing "This is Admin writing a blog", and a "createBlog" button. The browser's address bar shows "localhost/Abhishek/createblog.php".

## User able to Request for becoming Editor

The screenshot shows a web browser window with the address bar displaying `localhost/Abhishek/requestper.php`. The page has a dark brown header with the text "IS667" and "This Assignment is done by Gauri Kirve & Abhishek Vichare". Below the header, there is a navigation bar with links: "ACCOUNT HOME", "VIEW BLOGS", "REQUEST PERMISSIONS", "LOGOUT", and "YOU ARE USER!". The main content area contains the text: "Please click [here](#) to request Editor privileges (An Editor can create blogs and request them to be published on the pages for users)". The Windows taskbar at the bottom shows the time as 1:09 AM on 12/20/2016.

## Admin gets the request of User To become Editor

The screenshot shows a web browser window with the address bar displaying `localhost/Abhishek/adminaccount.php`. The page has a dark brown header with the text "IS667" and "This Assignment is done by Gauri Kirve & Abhishek Vichare". Below the header, there is a navigation bar with links: "BLOGS", "CREATE A NEW USER", "VIEW & EDIT RECORDS", "CREATE A NEW BLOG", "LOGOUT", and "YOU ARE ADMIN!". The main content area contains the section "USERS REQUESTING TO BE AN EDITOR" with a table of users requesting to become editors. Below the table, there is a section "BLOGS REQUESTING TO BE PUBLISHED" with the text "This is a new blog about my country" and a "PUBLISH NOW" button. The Windows taskbar at the bottom shows the time as 1:10 AM on 12/20/2016.

## After Admin's approval User becomes Editor

The screenshot shows a web browser window with the address bar displaying `localhost/Abhishek/createblog.php`. The browser tabs include "Review Submission Hist...", "Microsoft Word - Assign...", "localhost / 127.0.0.1 / m...", and two instances of "Blogs, blogs and more b...".

The web application has a dark red header with the text "IS667" in a large, white, serif font. Below this, in a smaller white font, it says "This Assignment is done by Gauri Kirve & Abhishek Vichare". A navigation bar in the same dark red color contains the following links in white, uppercase letters: "VIEW MY BLOGS | REQUEST TO PUBLISH", "CREATE A NEW BLOG", "LOGOUT", and "YOU ARE EDITOR!".

The main content area is light gray. At the top, there is a yellow box containing the text "Array ( ) Array ( )". Below this, there is a form with two sections: "Title:" followed by a text input field, and "Blog Content:" followed by a larger text area. At the bottom of the form is a button labeled "createBlog". To the right of the form is a large, empty yellow rectangular box.

The bottom of the image shows a Windows taskbar with the address bar displaying `localhost/Abhishek/viewmyblogs.php`. The taskbar includes the Start button, a search bar with the text "Ask me anything", and several application icons. The system tray on the right shows the time as "1:28 AM" and the date as "12/20/2016".
